Elyria plaza changes hands

Midway Pointe, an Elyria shopping plaza that sits across from Midway Mall and a Wal-Mart, has changed hands. California investor Robert Matevosyan has paid about \$1.7 million for the fully leased, 13,552-square-foot property. The local seller, Midpro LLC, was represented by Dan Cooper, a senior investment associate with the Beachwood office of NAI Daus. California broker Steven Glass represented Matevosyan.
